

My Family Health History

Update My Family History

On this screen you can:

- Change your information or a family member's information by clicking  (Update History) next to the name in the list.
- Add information for a family member by clicking  (Add History) next to the name in the list.
- Add another family member to your history by clicking "Add Another Family Member."
- Remove a family member from your history by clicking  (Remove) next to the name in the list. (You cannot remove yourself, your parents, or grandparents.)

If you are finished filling out your family health history, click "Save Family History." Then you can view a drawing or chart of your family tree by clicking "View Diagram and Chart." You can also copy this for a family member by clicking "Copy for Family Member" at the top of this page.

Name	Relationship to Me	Add History	Update History	Remove Relative
My Family				
	Father			
	Mother			
Test Person	Self			
My Father's Side of the Family				
	Paternal Grandfather			
	Paternal Grandmother			
My Mother's Side of the Family				
	Maternal Grandfather
